### // BIOGRAPHY

Hi my name is Hannah Sutherland and I am currently in my second year studying Scenic Art and Prop Making at Mountview Academy of Theatre Arts in London. I am passionate about themed attractions, theatre and film. I take a great interest in both traditional and newer techniques and combining them in new and innovative ways. I am happy working solo but also enjoy working collaboratively to achieve the best results possible and meet deadlines. So far my studies have covered both scenic art and prop making and I have had the opportunity to gain experience in both areas during lessons and working on productions in assisting roles.
