

Drama Tutor – Little Tanks - after school drama club

Surrey & Berkshire areas

Little Tanks seeks drama tutors to run after school drama clubs starting from September until December 2023

The background

Little Tanks after school drama was established by Debi Rush and has been successfully running and growing for the past 20 years. The clubs are based in primary schools and work as an enrichment for schools that choose to pioneer extra-curricular activities at no cost or management from the school.

Children of various ages from 5-11 years can attend the clubs for a termly fee to help build confidence and communication skill as well as working towards a small-scale production to be performed to the parents at the end of the term.

The performance will be a short script created collaboratively by Little Tanks and the tutor of what the children have been working on for the term. Props, costume and music are supplied by Little Tanks to further engage the children and therefore enhance the performance to be a positive experience for all.

The courses are designed to encourage children to express themselves through drama, develop confidence and enjoy an after-school activity that is creative and lots of fun.
