## // BIOGRAPHY

A motivated and organised graduate from Mountview with a BA (Hons) in Stage Management and hands-on Assistant Stage Management experience gained through both university productions, placements and professional contracts. I am confident in prop sourcing, backstage running, scene transitions, and supporting the Stage Manager throughout rehearsals and performances. I'm known for a strong work ethic, calm presence under pressure, and a collaborative, can do attitude. Eager to continue developing professionally and contribute to well-run, supportive, and creative theatre environments.
