// BIOGRAPHY

I have a background working in Television for the last five years in studio and on location. I have a passion for cabaret and fringe shows, as well as loving a trip to the West End.

I have produced and hosted two cabarets at the Phoenix Arts Club, and I have recently started an Instagram account to act as a billboard for cabaret and fringe productions, and to provide interviews with insight into the industry.

// TRAINING

Mountview (2026 - 2027) Postgraduate Diploma in Stage & Production Management
